A Love Letter

I love you and care about you. I saw you yesterday as you were talking with your friends. I waited all day, hoping you would want to talk with Me also. I gave you a sunset to close your day and a cool breeze to rest you—and I waited. You never came. It hurts Me—but I still love you because I want to be your Friend.

I saw you fall asleep last night and longed to touch your brow, so I spilled moonlight upon your pillow and face. Again I waited. You awakened late and rushed off to work. My tears were in the rain. You look so sad—so all alone. It makes My heart ache because I understand. My friends let Me down and hurt Me many times too. But I love you. I try to tell you in the blue sky and in the quiet green grass. I whisper it in the leaves on the trees and breathe it in the colors of flowers.I shout it to you in mountain streams and give the birds love songs to sing. I clothe you with warm sunshine and perfume the air with nature scents. My love for you is deeper than the ocean and bigger than the biggest want or need in your head. Oh, if you only knew how much I want to walk and talk with you.

I know how hard it is on this earth; And I want to help you. I want you to meet My Father. He wants to help you too. Just call Me -ask Me -talk with Me! Please don't forget Me. I have so much to share with you! You are free to choose Me. I have chosen you, and because of this I will wait—because I love you!
